~~MK-1 Commercial Replacement~~

~~NAVSEA 05P5 has recently identified a commercial replacement for the MK-1 Life Preserver. This new life preserver provides improved floatation and also is available in extra large size. The existing MK-1 Life Preserver is still adequate; users are not required to replace it. However, new requisitions should specify the new MK-1 Life Preserver.~~

~~The new MK-1 Life Preserver can be procured as an assembled complete unit (cover, bladder, chemical pill auto-inflator, 24 gram CO2 cylinder, Firefly 2 Distress Marker Light, and Flat Whistle), or each piece can be procured separately.~~

~~The new MK-1 Life Preserver can be obtained via requisition or ordering directly from the following suppliers:~~

- ~~1. AMRON International Diving Supply
Escondido, CA
(760) 746-3834~~
- ~~2. Marvel Underwater
Woodlynne, NJ
(856) 488-4499~~
- ~~3. ADS International
Virginia Beach, VA
(800) 948-9433~~

~~These suppliers are part of the Defense Supply Center Philadelphia Prime Vendor Program. Point of contact at DSC Philly is Ms. Cindy L. Skrocki, (215) 737-4091.~~

~~MK-1 Life Preserver is approved for all shipboard evolutions except:~~

- ~~• Performance of hot work or other activity that may damage the life preserver.~~
- ~~• Personnel riding aircraft.~~

~~MK-1 Life Preserver is provided in seven colors to identify the personnel's function. The color designations are as follows:~~

- ~~• Blue — Plane Pushers~~
- ~~• Brown — Plan Captains and Mechanics~~
- ~~• Green — Catapult and Arresting Gear Personnel~~
- ~~• Purple — Fuel Handlers~~

- ~~Red—Ordnance Men~~
- ~~White—Phone Talkers and Medical Corpsmen~~
- ~~Yellow—Flight Deck Officers and Plane Directors~~
